Maybe. But some nonbelievers are beginning to think they might need something for their children. "When you have kids," says Julie Willey, a design engineer, "you start to notice that your co-workers or friends have church groups to help teach their kids values and to be able to lean on." So every week, Willey, who was raised Buddhist and says she has never believed in God, and her husband pack their four kids into their blue minivan and head to the Humanist Community Center in Palo Alto, Calif., for atheist Sunday school

Strange Heavenly Signs -

Stars/Heavens

- [New Risk to Earth Found in Supernova Explosions](#)
- An explosive star within our galaxy is showing signs of an impending eruption, at least in a cosmic time frame, and has for quite some time. From 1838 to 1858, the star called Eta Carinae brightened to rival the light of Sirius, the brightest star in the sky, and then faded to a dim star. Since 1940 it has been brightening again, and scientists think Eta Carinae will detonate in 10,000 to 20,000 years. <- **or NOT!!!**

NOTE FROM PEGGY: Those of you who know me, know my plate is very full. Therefore, I have gotten way behind on adding daily news articles to the various Sharing pages. I am going to add these items as often as I can, but until/unless I'm caught up, I will not be alphabetizing these articles, merely adding them. Bear with me, and I will eventually get caught up (pun DEFINITELY intended!)! Love to you in Him!
