PASTOR RILEY'S ARTICLES:

- [The Day & Hour of the Lord's Coming](#)
I want to assure our readers that I wholeheartedly agree that no man knows the "day and hour" when the Lord is coming to resurrect and rapture His people to glory. But my agreement is not based on the same motives that I have observed in some of my critics. Rather, I believe that no man knows the "day and hour" when the Lord is coming for the following Scriptural reasons...
- [Which Is the Correct Date?](#)
What I do know is that the Lord is coming this year; 2008. This has been confirmed to me so many times in so many different ways that there is no longer the slightest doubt in my mind. As far as I am concerned these confirmations of 2008 are sufficient.
- [Why 2008? Here's Why...](#)
I want to thank you for writing. You asked me several questions about the timing of the Lord's coming to rapture His people to glory. If I understood your questions correctly, what you really want to know is "why I believe that the rapture will occur and the Tribulation will begin in 2008 [or before]?"

Strange Heavenly Signs -

Stars/Heavens

- [Astronomers Describe Violent Universe](#) <- **FEATURE!!!**
The deeper astronomers gaze into the cosmos, the more they find it's a bizarre and violent universe. The research findings from this week's annual meeting of U.S. astronomers range from blue orphaned baby stars to menacing "rogue" black holes that roam our galaxy, devouring any planets unlucky enough to be within their limited reach.
- [Galaxy may hold hundreds of rogue black holes](#) <- **FEATURE!!!**
If the latest simulation of what happens when black holes merge is correct, there could be hundreds of rogue black holes, each weighing several thousand times the mass of the sun, roaming around the Milky Way galaxy.
- [Huge gas cloud will hit Milky Way](#) <- **FEATURE!!!**
It contains enough hydrogen to make a million stars like the Sun, say experts, and its leading edge is already hitting gas from our galaxy.
- [Perfectly Aligned Galaxies Found For the First Time](#) <- **FEATURE!!!**

Astronomers have found three galaxies in a never before seen perfect alignment—a discovery that may help scientists better understand the mysterious dark matter and dark energy believed to dominate the universe.

It opens a door to this notion that you can make any organ: kidney, liver, lung, pancreas - you name it and we hope we can make it-Dr Doris Taylor-University of Minnesota

I will be putting large news updates on the Daily Update pages on Mondays and Fridays. On Tuesdays, Wednesdays and Thursdays, I will only have my regular daily updates, as shown above.

Our brother, Samson Mwawasi, lives in Kenya, in the midst of the chaos going on there. He is in great financial need at this time, and our sister, Ellen Gonzalez, has been led by the Spirit to set up a fund at her bank for Samson's care, as we are to do for our brothers & sisters in Yahshua. If you feel led to contribute to this fund, please let me know, and I will put Ellen in contact with you. In the words of our precious Messiah: *"The King will answer and say to them, 'Truly I say to you, to the extent that you did it to one of these brothers of Mine, even the least of them, you did it to Me.'* (Matthew 25:40)

NOTE FROM PEGGY: Those of you who know me, know my plate is very full. Therefore, I have gotten way behind on adding daily news articles to the various Sharing pages. I am going to add these items as often as I can, but until/unless I'm caught up, I will not be alphabetizing these articles, merely adding them. Bear with me, and I will eventually get caught up (pun DEFINITELY intended!)! Love to you in Him!
