## Bill Maher Mocks Christianity and Catholics Again

Send an e-mail to HBO Chairman Chris Albrecht and Bill Maher.

Dear Peggy,

The anti-Christian bigotry gets more and more sickening. Bill Maher, host of the talk show "Real Time with Bill Maher" on HBO, recently showed the hatred Maher and the other Hollywood types have for Christianity and Christians.

Just three days after Rev. Jerry Falwell's death, Maher began his weekly HBO program with a verbal assault on Rev. Falwell and then escalated into a vicious attack on Christianity in general and Catholics in particular.

Maheer: "We weren't having sex, officer. I was performing a very private Mass, here in my car. I was letting my rod and staff comfort him. Take this and eat of it, for this is my roommate Barry...and for all those who believe there is a special place for you in Kevin."

Time-Warner, owner of HBO, issued no apology for the on-air explicit homosexual mockery of Scripture and Catholic theology. Neither did the mainstream media bring it to the public's attention as they did with Don Imus. For the mainstream media, Christians are the only religious group in America against whom such bigotry is allowed.

### **Take Action**

- Send the e-mail to HBO Chairman Chris Albrecht and Bill Maheer.
- Forward this e-mail to your Christian friends to help them better understand the bigotry against Christ and Christians in the mainstream media.
- Hopefully, you do not subscribe to HBO. If you do, please cancel your subscription.
