Dear Peggy,

I am sorry sister, but I can't answer your question. To the best of my knowledge the subject is not addressed in the Scriptures, therefore I don't know how to answer it. I know a lot of people are concerned about their pets. I have pets too, and I love them. But I am far more concerned about lost souls than I am about even my pets. I do know that the Lord takes care for all of His creatures. That much is made clear in many different references to animals in the Bible, so this is something I think God's people just have to commit to the Lord and trust Him.

I do know that there will be [are] animals in Heaven. Perhaps some of them will be the pets we knew on earth. The Lord knows. But there will be animals there for our enjoyment and for us to love.

This is the only answer I know to give you.

Bro. Riley

Hi, Pastor!

I have a question for you that is on MANY of our minds... any idea what will happen to our pets when we are Raptured? Will they be cared for? Our pets are like kids to us... we love them dearly.

Love from your sister in Yahshua!

Peggy
